Walk-in interview for the Post of Research Associate for a Consultancy Project at IIM Lucknow

One Research Associate is required to review the exchange-related disclosure, the Securities and Exchange Board of India's (SEBI) master circular on regulatory architecture of equity and commodity, and reports of the national and international regulatory institutions, namely Securities Exchange Commission (United States), Commodity Futures Trading Commission, Financial Services Authority (United Kingdom), Chinese Securities Regulatory Commission, International Organization for Securities Commission, BIS, and so on, and interaction with macro- (exchanges and regulators) and meso-level (exchange members) stakeholders for the consultancy study titled '**Regulatory landscape in equity derivatives versus commodity derivatives markets in India**' undertaken by the IIM Lucknow. The Research Associate will engage in desk-based work and may travel to metros and NCT based on the necessity of the work.

The position is purely contractual for two months.

Posts, Salary, and Qualification:

- **One Research Associate for two months**
 - o Salary may be in the band of ₹26,500-₹35,000/- per month (consolidated).
 - o Post-graduation in Financial Economics/ Quantitative Economics/Finance/ Financial Engineering/ MBA with a major in Finance with a minimum of one/two-years of relevant experience in equity/ commodity markets.

Job Description:

- Review of relevant reports, archival information, research articles pertinent to the topical area of the study.
- Conduct key informants' interviews, viz. exchange members, senior officials of exchanges, and regulatory institutions.
- Analysis, and report writing as per objectives of the study
- TA/DA will be paid extra for outstation visits as per the policy of the institutions/central government autonomous bodies.

Preferred Skills and Experience: Preference will be given to a candidate who has experience in derivatives market and have a fair understanding of market microstructure, exchange working and regulatory architecture of derivative market (commodity & equity).

Interested candidates may send their resumes (CVs) at cfam@iiml.ac.in and copy to kushankur.dey@iiml.ac.in on or before **September 23, 2022**. The shortlisted candidates will appear for the interview with their detailed résumés, and copies of testimonials such as education and experience certificates. The interview will be conducted on **September 25, 2022** at **IIM Lucknow** from **3:30 pm** onward. The shortlisted candidates will be intimated through email communication. No TA/DA will be paid for attending the interview. Interviews may also be arranged through Google Meet or Zoom platform for outside shortlisted candidates.
