IITB Project Recruitment:

Project title: Technology and Development Alternatives for Rural Areas

About the project: Technology and Development Solutions Cell (TDSC) is a resource center for providing technology-based solutions for the development sector. TDSC provides resources and services to undertake projects that deliver outputs via academic research outputs, consulting, outreach modules, entrepreneurship guidance, etc. TDSC operates as a CTARA project under IIT Bombay

Essential Qualifications & Experience:

PhD

OR

MTech/ME/MDes/MBA or equivalent degree with minimum 4 years relevant experience

OR

BTech/BE/MA/MSc/MCA or equivalent degree with minimum 6 years relevant experience

Expertise in project management and stakeholder relationship management Understanding of Systems Thinking methodologies Proficiency in conducting Primary and Secondary research, Survey design and Stakeholder interviews Experience in facilitating workshop and capacity building session Should be willing to work out of Mumbai

Desirable Qualities: Excellent communication skills Thrives in an entrepreneurial environment Self-driven and able to work independently and in teams Demonstrate a willingness to learn

Job Profile:

The job profile includes managing the research team, supporting Principal Investigators, and external stakeholders, in all aspects of research including design, planning, implementation and monitoring of tasks. The critical aspect of the profile is to bring systemic perspective to the ongoing as well future projects, and be able to communicate it with relevant stakeholders, while also building their capacity. The job will include frequent travel onsite, within and outside Maharashtra, to conduct research and help the team gather the required information. The job will also include supporting day to day operations for the functioning of TDSC.

Pay Details:

Consolidated salary Rs.30000/- p.m.

General information:

This appointment is Part-Time appointment.

The position is temporary for a period of 1 year and tenable only for the duration of the project. The appointment is for time bound project and the candidate is required to work mainly for the successful completion of the project. The selection committee may offer lower or higher designation and lower or higher salary depending upon the experience and performance of the candidate in the interview.

Candidates called for interview will be required to attend at his/ her own expenses.
