

## Centre For Theoretical Physics Jamia Millia Islamia

Advertisement for the post of Research Associate and Junior Research Fellow (JRF)

Applications are invited for the following posts in DST-SERB SPONSORED-Research Project entitled: "Search for the missing links between observation and theory in beyond concordance ACDM model"

## 1. Junior Research Fellow - One

**Educational Qualifications:** The candidate must possess M.Sc degree in Physics with minimum 55 % marks and with NET/GATE qualifications. It is desirable that the candidate has training in General Theory of Relativity and Basic Cosmology during her/his M.Sc.

Fellowship: - As per SERB-DST rules

**Duration:** Till February 2024. The duration of JRF is co-terminus with the duration of the Project and will have no financial liability beyond duration of the project.

## 2. Research Associate - One

Educational Qualifications: Ph.D. in Physics with research experience in the field of Gravity/Cosmology. Those who have submitted their thesis but still have not received the Ph.D. degree are also encouraged to apply.

Fellowship: - As per SERB-DST rules

**Duration:** Till February 2024. The duration of fellowship is co-terminus with the duration of the Project and will have no financial liability beyond duration of the project.

**How to Apply:** Application along with CV and attested copies of the relevant documents of educational qualifications and experience should reach to Prof. Anjan Ananda Sen (Principal Investigator) by email to aasen@jmi.ac.in. The subject line of the email should contain JRF/RA position under SERB-CRG Project.

The last date for submitting the application is 18<sup>th</sup> December 2022.

Only the shortlisted candidates will be intimated for interview. Interview will be held in ONLINE mode.

(Prof. Anjan Ananda Sen)
