Dated: November 9, 2022

***Advertisement for two JRF positions in SciWhyLab, SCIS, JNU***

SciWhyLab, School of Computational and Integrative Sciences would like to recruit two Junior Research Fellows (JRFs) in the field of Data Science/ Bioinformatics for the following extra-mural project:

Position: Junior Research Fellows (JRFs)

Number of vacancies: Two

Project funded by: Data Science Cluster Project under Interdisciplinary Cyber-Physical Systems under Department of Science and Technology (DST-ICPS)

Project Title: Data Reduction technologies for genomics and transcriptomics data sets

Salaries: Standard JRF salaries as per the rules of DST, Government of India applicable from time to time. At this time this salary is roughly expected to be Rs 25,000 plus 30% HRA per month, but the exact details will be notified in the offer letter to the selected candidates.

Duration of appointment: **Upto March 2023** or till the project funds last, which may be earlier.

The incumbents must have cleared CSIR/UGC JRF examination or have passed an M. Tech. degree in Data Science/ Bioinformatics or a related area. They are expected to have strong programming skills. Previous experience of working on Biological/ Medical data sets, particularly genomics, medical diagnostics or NGS data analysis is desirable. In the absence of a suitable JRF candidate, the post may be filled as Project Assistant at a salary of Rs 15,000/- consolidated.

Interested candidate are requested to apply using the following link.

<https://forms.gle/oZZj4r9ZRJ6wF2Di6>

Deadline to apply is **November 20, 2022**. Interviews are likely to be held soon after. Those who have applied in reference to an earlier advertisement are requested to apply again.

Details about our current lab activities can be seen at [www.sciwhylab.org](http://www.sciwhylab.org) and by subscribing to our YouTube Channel at: <https://www.youtube.com/sciwhylab/>

Informal queries may be addressed to:
