

Solution Architect

MyGov is the citizen engagement platform of Government of India. It is an Independent Business Division under Digital India Corporation, a Section 8 company under Ministry of Electronics & Information Technology. Details about MyGov can be seen at <https://MyGov.in>

MyGov is looking for Solution Architect to join our team and should have an experience with enterprise architecture, frameworks. Understanding of security and governance would be an added advantage.

Ultimately, you'll be required to designing campaigns around key public policy initiatives that can be used across MyGov platforms, with a special focus on those that would appeal to citizens, and will help drive citizen engagement.

You will be under probation for the first 3 months from the date of joining. It is not mandatory for MyGov to absorb you or offer you regular contract after the completion of the probation period. The period of probation can be reduced or increased by MyGov and shall be solely based upon your performance.

After successful completion of initial contract period, regular contract will be given.

Please review the positions listed below and apply in the form given in this notification. MyGov is hiring experienced professionals for the Solution Architect. Interested candidates may apply in this form.
