

**Department of Endocrinology,
Post Graduate Institute of Medical Education & Research (PGIMER),
Chandigarh, India**

Applications are invited for the following temporary post in a DHR funded project entitled, “**Prevention of beta cell damage in type-1 diabetes by immune check-point ligands expressed in exosomes derived from preproinsulin-specific regulatory T cells**” under Dr. Naresh Sachdeva, Professor, Department of Endocrinology, PGIMER, Chandigarh.

1. Junior Research Fellow (One Position)

Essential Qualification: Master’s degree in Biotechnology, Microbiology, Immunology, Cell Biology with at least 55% marks.

Preference would be given to candidates who have qualified National Research Fellowship examinations (CSIR-UGC NET/ICMR-JRF/DBT/DST-INSPIRE/GATE etc).

Desirable: Experience in Immunology, Molecular Biology or Cell Biology, Publications in indexed journals.

Emoluments per month: **Rs 31,000/- + HRA (@16%)**

Upper Age limit: **28 years** (relaxable for 5 years in case of SC/ST/OBC/PH/women candidates as per GOI rules) on the date of interview.

Date of Interview: 13-08-2022 (Saturday) at 12:00 PM

The interview would be conducted via online mode. Interested candidates should mail/submit their detailed biodata to the office of the undersigned **before 10-08-2022**. The applications will be screened and the shortlisted candidates will be called for the interview.

[The appointment is purely temporary until 17th November 2022 and may be extended, annually, depending upon the progress of the project. The appointment can also be terminated by either side by giving one month’s notice or submission of one month’s fellowship.]
