

(An Autonomous Institute of the Department of Biotechnology, Govt. of India)
NCR Biotech Science Cluster, 3rd Milestone, Faridabad – Gurugram Expressway, P.O. Box No. 04,
Faridabad - 121001

RECRUITMENT NOTICE NO. : THS/RN/13/2023

Dated 24th February 2023

RECRUITMENT NOTIFICATION

1. Translational Health Science and Technology Institute (THSTI) is an autonomous Institute of the Department of Biotechnology, Ministry of Science and Technology, Govt. of India. The institute is an integral part of the interdisciplinary NCR Biotech Science Cluster located at Faridabad, and is designed as a dynamic, interactive organization with the mission to conduct innovative translational research and to develop research collaborations across disciplines and professions to translate concepts into products to improve human health.
2. THSTI has built several inter-institutional collaborations and connectivity with industry supported by well-trained teams of research and laboratory staff. This foundation has helped pursuit of thematic research programmes which can be broadly categorized as, (a) Infectious diseases and Immunology (b) Maternal and child health, (c) Non communicable disease d) Multidisciplinary clinical and translational research. These are strengthened by the many core facilities viz. Small Animal Facility (which includes a Ferret facility), Data Management Center, Biorepository, Bioassay Laboratory, BSL-3 facility, Omics facility, Genome Sequencing facility, Computational and Mathematical Biology Center, etc that serve as huge resources for the research programmes of THSTI, and also the National Capital Region Biotech Science Cluster and other academic and industrial partners.
3. This recruitment is to fill up the vacancies of THSTI under the project entitled "Multi-epitope nanoparticle-based Broadly Protective Betacoronavirus Candidate Vaccine"

Educational Qualification and Experience required for the post:

S. No.	Name of the Post/ No. of Post/ Max Monthly consolidated emoluments/ Age Limit	Minimum Qualifications & Experience	Desirable Qualification & Experience/Job Responsibilities
1.	Technical Officer - II One Rs. 75,000/- 35 years	Master's degree in any branch of Life Sciences with four years of post-qualification experience in the relevant field.	<ul style="list-style-type: none"> ➤ Experience working with human viruses, extensive expertise on immuno techniques like FACS, ELISA, RT-PCR and tissue culture related works and other virological assays. ➤ He/She will be responsible for making of SOPs, validation of assays, regulatory guidelines and support in vaccine development. ➤ Preference will be given to candidates who have experience of working with highly infectious

			pathogens such as SARS-CoV-2 in a BSL3 laboratory, Influenza viruses, culturing and quantification of human viruses with relevant publications.
2.	Senior Technical Associate One Rs. 50,000/- 35 years	Master's degree in any branch of Life Sciences with three years of post-qualification experience in the relevant field.	Research experience in: <ul style="list-style-type: none"> ➤ Molecular biology techniques like DNA extraction, PCR ➤ Biochemical methods like ELISA, protein purification, western blotting would be preferred. ➤ Expertise in virus culture, titration and working experience of Influenza or SARS-CoV-2 viruses inside BSL3 ➤ Handling small laboratory animals
3.	Management Assistant One Rs. 65,000/- 30 years	Bachelor degree in any branch from the recognized University with four years of post-qualification experience in the administration/ project management. OR Master degree in any branch from the recognized University with two years of post-qualification experience in the administration/ project management.	<ul style="list-style-type: none"> ➤ Basic knowledge of computer skills including proficiency in use of Microsoft Office, MS-Word, Excel, PowerPoint applications ➤ Proficiency in typing, good English communication skills ➤ Demonstrated ability to understand, explain and communicate and manage project using standard tools and templates ➤ Good knowledge of procurement through Government GeM portal. ➤ Demonstrable experience of line management, project management concepts and ability to understand, explain and communicate project concepts using standard tools and templates. Interpersonal skills and ability to work effectively in a team.
4.	Animal Technician One Rs. 30,000/- 30 years	Bachelor degree in any branch of Life Sciences from the recognized University. Desirable Experience: Experience in animal handling, basic knowledge of research laboratory.	<ul style="list-style-type: none"> ➤ Experience in handling laboratory animals and performing various techniques or activities required for conducting research in laboratory animals. ➤ Should have basic knowledge working in a research laboratory (autoclaving, media preparation, buffer preparation etc.)
5.	Lab Attendant One Rs. 30,000/- 30 years	Bachelor degree in any branch of Life sciences from the recognized University.	<ul style="list-style-type: none"> ➤ Basic knowledge of buffer preparation, electrophoresis, bacterial culture and plasmid purification is preferential. ➤ Working experience in research laboratory.

Interested candidates fulfilling the criteria as mentioned above may walk-in for written test/skill test/interview on 13th March 2023 at 9:00 am at THSTI, NCR Biotech Science Cluster, 3rd Milestone, Faridabad-Gurugram Expressway, Faridabad - 121001

NOTE: The candidates must bring their latest resume, one set of photocopy of documents in support of their educational qualification and experience along with originals and a valid ID card for verification. Candidates coming after the time slot mentioned will not be entertained.

GENERAL TERMS & CONDITIONS:

- a) These are short-term positions and extension will be granted subject to satisfactory performance of the incumbents and tenure of the project for which they are selected. Those appointed to these positions will not have any claim for regularization of their employment.
- b) All educational, professional and technical qualification should be from a recognized Board/University.
- c) The experience requirement specified above shall be the experience acquired after obtaining the minimum educational qualifications specified for the post.
- d) The age limit, qualification, experience and other requirements may be relaxed at the discretion of the competent authority, in case of candidates who are otherwise suitable. In case candidates are not found suitable for the posts notified, they can be offered lower post / lower emoluments on the recommendation of the Selection Committee.
- e) Age and other relaxations for direct recruits and departmental candidates: 1. By five years for candidates belonging to SC/ST communities. 2. By three years for candidates belonging to OBC communities. 3. For Persons with Benchmark Disabilities (PwBD) falling under the following categories : (i) UR - ten years, ii) OBC - 13 years (iii) SC/ST - 15 4. Age is relaxable for Central Government servants up to five years in accordance with the instructions or orders issued by the Central Government, from time-to-time. 5. There is no upper age limit for the Institute employees who are treated as departmental candidates.
- f) Number of positions may vary depending upon the requirement at the time of interview.
- g) All results/ notifications will be published on our website. Therefore, the candidates should visit THSTI website regularly.
- h) All communications will only be made through email.
- i) Canvassing wrong information in any form will be a disqualification.
